

Working Bees

Winter-Spring 2011

Sat July 2nd
Sat August 6th
Sat September 3rd
Sat October 1st

Sunday July 17th
Sunday August 21st
Sunday September 18th
Sunday October 16th

9 am – 12 pm

12 – 12.30 pm FREE SAUSAGE SIZZLE

For Sept, Oct, Nov working bees, meet at 9am at the driveway to Springwood Park property, first driveway to the right on the Eagle on the Hill rd. There is a house being built at the end of the driveway.

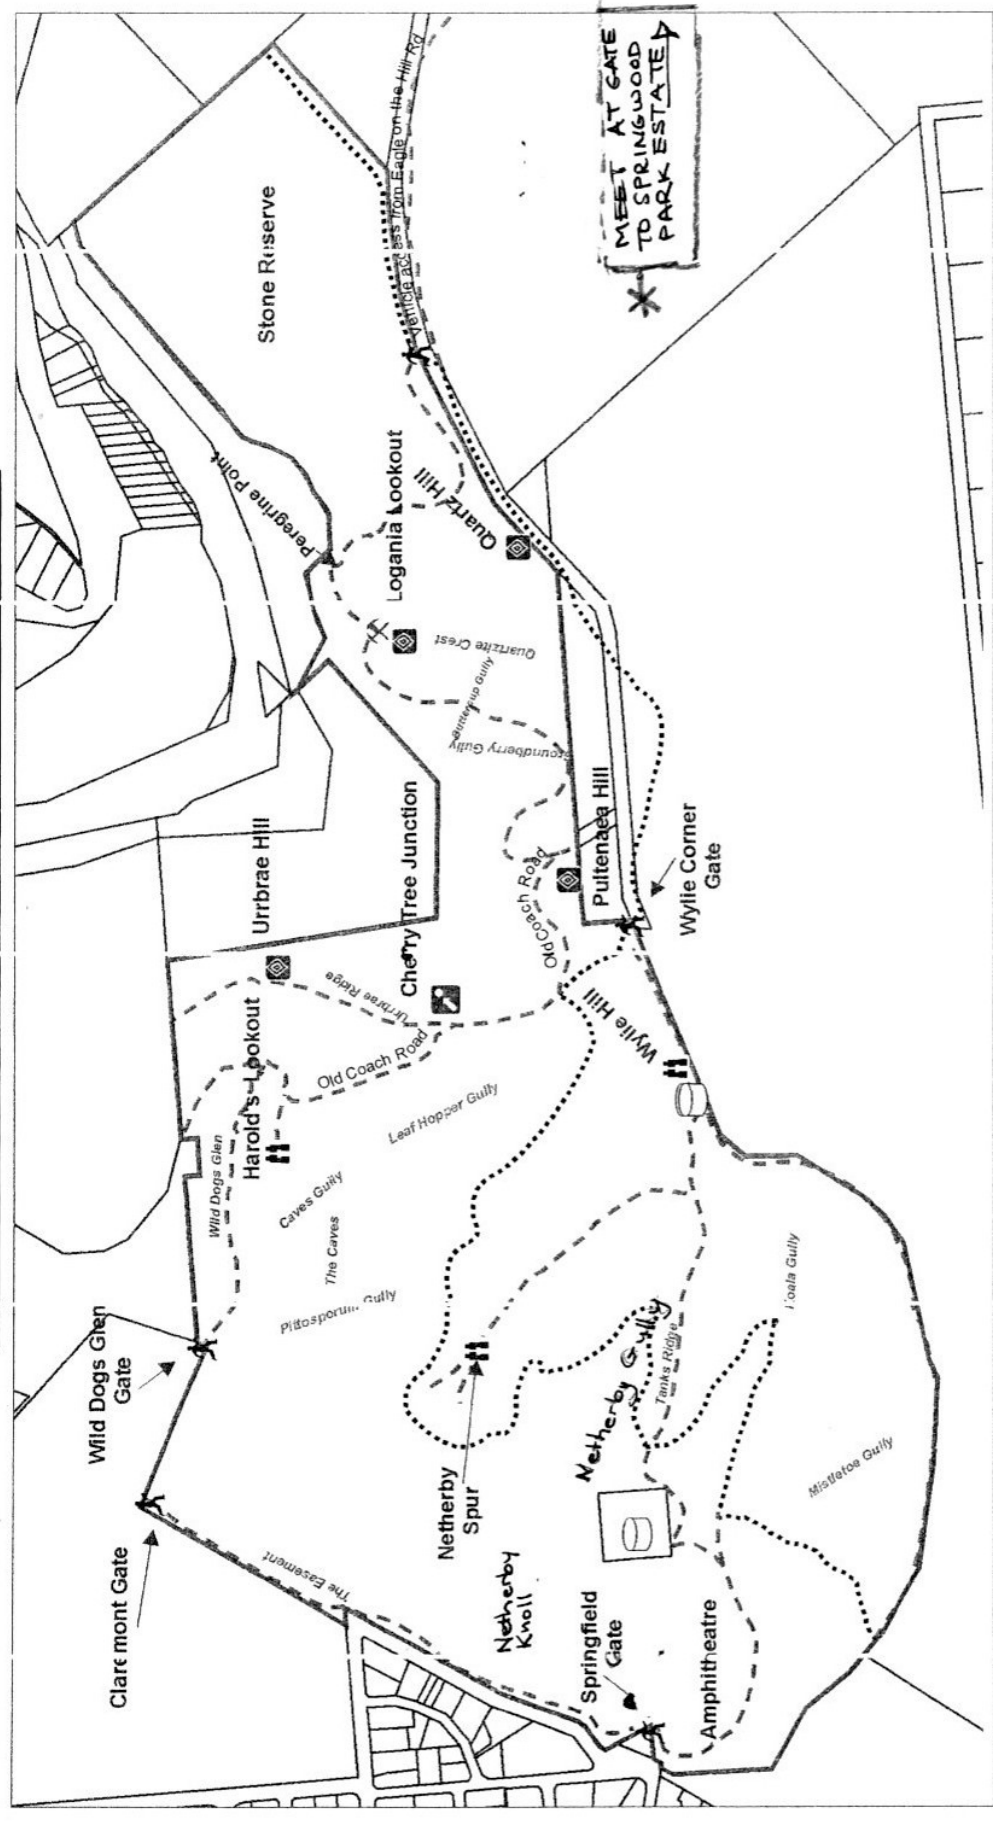

These winter and spring working bees will continue with revegetation and weed control around Urrbrae Ridge, Leafhopper Gully and Pultenaea Hill. Activities will likely include the planting of Australian Hollyhocks and Twiggy Daisy in Leafhopper Gully, and the hand weeding of Cape Tulip once it is flowering on Pultenaea Hill and along Urrbrae Ridge.
